| Bangladesh | 1) A national seminar on “WDACL: Context Bangladesh” will be organised by the Bangladesh Shishu Adhikar Forum on 11 June. The objective is to influence the key policy makers to expedite the process of finalising the national child labour elimination policy, ratification of the ILO Convention no. 138, determining the list of hazardous work and improving the overall child labour situation in Bangladesh, with special focus on girls. The seminar will be attended by the relevant legislators and government officials, civil society leaders and media.  
2) A day-long national adolescent convention will be organised by the Disadvantaged Adolescents Working NGOs (DAWN) Forum on 12 June. Approximately 700 working adolescents will take part at the convention. The programme will be divided into two parts. The first part will be devoted to a keynote paper presentation followed by discussion and second part will be the cultural programme participated by the adolescents. The Honourable Minister of the Law, Justice and Parliamentary Affairs will grace the occasion as Chief Guest and ILO Office-In-Charge and Chairman of the Parliamentary Standing Committee on Women and Children will be present as Special Guests.  
3) The main objectives of the convention are: raising awareness among the policy makers, civil society leaders and other key stakeholders, including media regarding the situation of working adolescents, especially girls and influencing policy makers to formulate appropriate interventions to address the needs of the adolescents.  
4) Bangladesh Institute of Labour Studies (BILS) will organise a rally from Central Shahid Minar to National Press Club on 12 June. Approximately 500 working children will participate in the rally. The objective is to raise awareness on child labour.  
5) The Domestic Workers’ Rights Network will organise a seminar on “Rights of Domestic Workers: Bangladesh Perspectives” on 12 June at the CIRDAP Auditorium. The objective of the seminar is to influence the relevant policy makers to formulate appropriate laws to protect the rights of the domestic workers.  
6) The Bangladesh Truck Workers Federation will organise a workshop on “The Role of Trade Union to Eliminate Child Labour in Informal Economy: Special Focus on Hawkers, Transport and Tailoring” on 20 June. The objectives are: To identify the problems of children in the selected sectors and setting up recommendations to reduce child labour in those sectors.  
7) Quite apart from that a week-long media campaign has been developed in collaboration with ATN Bangla, the first private TV channel in Bangladesh. ATN will produce and telecast a video documentary, a promotional on 12 June, a Talk Show, series of feature stories and news coverage. The ATN will be the official media partner for all activities concerning WDACL 2009.  
8)                                                                 | Sharfuddin Khan  
|             | Programme Officer  
|             | sharfuddin@ilo.org                                                                                                                                |                                                                  |
10) Launch of the ILO's IPEC TBP Support Project, Phase II to End the Worst Forms of Child Labour in Cambodia by 2016.                                                                 | Joseph Menacherry  
|             |                                                                                                                                                | mpjoseph@ilo.org                                            |
11) Telecasted Round Table Discussion on Child Labour: Give Girls a Chance – End Child Labour. A round table discussion will be arranged on suitable TV Channel prior the event and broadcast 1-2 times before the WDACL and 1-2 time after the WDACL 12, June 2009. Guest speakers could be from MLVT, MEYS, MOWA, ILO (IPEC, BFC, WEP), Employer representative. Some children could also be invited to listen in and ask questions to the discussants. <th>Yunnan Province, one of CP-TING project provinces, will organize the following events to mark the WDACL 2009.</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>(1) <em>Forum entitled Give Girls a Chance - End Child Labour</em> will be organized on June 10th. Related government partners including Education, Labour, Trade Union, Public Security, as well as research institutes, NGOs, schools, teachers, parents and migrant children will be invited to participate in this forum. Issues on international labour standard, child trafficking, policy recommendations, good practices from other countries and from local, law enforcement, needs of the target groups will be discussed at the forum. It also provides an opportunity for the government to listen to voices from civil society and children themselves. (This forum will be financed by RBSA.)</td>
</tr>
<tr>
<td></td>
<td>(2) <em>Yunnan Province 6.12 Ending Child Labour Campaign</em> the Women’s Federation will continue to work with the provincial Labor Bureau, Education Bureau, Yunnan Public Security Bureau, Justice Bureau, the Trade Union, and the Kunming Private Employers’ Association, to conduct a joint campaign. The purpose of this campaign is to advocate among government partners about child labour, child rights protection and gender equality; to raise awareness among target children the risk of child labour and trafficking and improve their knowledge and skills of self-protection; and to appeal attention to ending child labour from parents, communities, employers and the general public.</td>

• Press release on the occasion
• Three debates will be held: one by primary school students, the other by secondary school students, and the last by two universities. Each will be on a different topic.
• A press conference to be held after the debates.

Fiji:

(1) National Dialogue on Child Labour organized for June 10th. Will involve ILO tri-partite-plus partners to evaluate progress according to actions proposed at the National Child Labour Forum in December 2008 by stakeholders. The Dialogue will also identify priority areas for discussion topics to be addressed at the 2009 National Child Labour Forum.

(2) Launch of the Legislative and Policy Framework Review Report conducted through the TACKLE project, and presentation of findings during the Dialogue and Employers Forum.

(3) Fiji Employers Federation awareness raising forums scheduled to begin on June 12th. Two additional forums to be conducted after June 12th in two other main centres in Fiji.

(4) Press releases to the media on the WDACL 2009 theme as well as on the legislative review released from June 8th to 12th.

(5) Child labour awareness programme submitted to FijiTV to be shown on Children’s National TV programme- Get Set- from June 8th to 12th.

WDACL information brief sent to all schools in Fiji through the Ministry of Education, and schools encouraged to organize own events and send in reports of activities to the Ministry.

Indonesia

I. NATIONAL LEVEL ACTIVITIES;

IPEC will conduct various activities at the national level jointly with EAST PROJECT:

1. Media Campaign

   a. Press Briefing and Conference

      • A press briefing will be held before the launching of the WDACL to explain a series of activities and the plan. It is expected to be done on 4th or 5th June. Around 15 people consisting of journalists and editors will gather in the ILO (or MOMT)

      • A press conference will be followed right after the March against Child Labor to be done in 14 June or 21 June.

   b. Radio and TV talk show

      During the week of 8th June to 12th June, various talk shows in television and radio will be conducted to highlight the problems of girl’s child labour in Indonesia. Topics to be discussed will include among others:

      • Girl child labour and gap in education
      • Child Domestic Workers
      • Child Trafficking and Children in Prostitution

      The ILO will identify some radio stations and negotiate with them to get some time slots to be used to discuss the above topics: for example, metro TV, Smart FM-Jakarta studio (expected on 11 of June), Semarang studio (special outdoor broadcast event) and others.
c. **Opinion Editorial**
   The ILO will provide some Opinion Editorial (both Bahasa Indonesia and English) with regard to the topic of child labour on the occasion of WDACL at the country and provinces level. The articles are meant to be published in the week before the march.

2. **Campaign using SMS and Facebook**

   a. **Campaign through SMS (Short Message Service)**
      A series of messages will be sent out through SMS to inform public about:

      - 12 June 2009 is the World Day Against Child Labour
      - The march will be held in 14 June (or 21 June) and invite public to join or watch it, and
      - Inviting public to join efforts in providing girls a chance to end child labour

      The first SMS will be sent out on Wednesday 10 June (or earlier) with the following text:
      “Join the march against Child Labour on 14 June 2009 at Pintu Selatan Gelora Bung Karno to commemorate World Day Against Child Labour 2009. Forward this message to your families and friends and call ILO Jakarta at 62-21-3913112 ext 129, or 156 for further information. Thank you”

      The second SMS will be sent out on 12 June 2009 with the following text:
      “Today, 12 June 2009, is the World Day Against Child Labour. Let’s end together child labour in Indonesia by giving a chance to girls to get better education.”

      The sending out of the SMS messages will be done as the following:

      - All ILO staff in Indonesia will be requested to voluntarily send the above SMS messages to at least 10 people who should not be ILO staff. Such request will be sent to all ILO staff by email on 8 June 2009.
      - IPEC and EAST will request their partners to voluntarily send the above SMS messages.

   b. **Campaign through Facebook**
      A group on child labour has been created in the face book. As with the SMS, a series of messages will be disseminated using Facebook to promote the WDACL, to invite participation in the march as well as to inform about the problem of child labour, especially girl child labour. The facebook will be launched on 18 May 2009

3. **March against Child Labour, with a special attention to girls (on 14 June or 21 June)**

   ILO Jakarta will conduct a march against child labour on Sunday, 14th or 21st of June 2009. This march is aiming at raising awareness of the general public on the issue of child labour, especially girl child labour and at calling for enhanced policy responses to tackle the problems in Indonesia, particularly in giving a chance to girl child labor. Participants of this march will be the following: working children, ex-working children, students, government officials, NGOs, celebrities, trade unions, employers’ organizations

   **Venue:** The march is planned to start from 2 points: Ministry of National Education (MONE) and University of Atmajaya and finish line will be at the Gelora Bung Karno at South Wing of Senayan. The ILO and its partners will mobilize around 1,800 participants (children and adults) to join the March.

   **At the finish line, a special ceremony to be attended by relevant Ministers will be done with the following agenda:**

   - Speech from the ILO
### Speech from the Minister of Manpower and Transmigration representing government delivering government messages for WDACL 2009 and to launch the Implementation Report of the 1st phase of National Plan of Action (NPA) on the Elimination of the Worst Forms of Child Labor and the Work Plan for the 2nd phase of NPA.

- Signing of placard to mark the commitment from various Ministries and ILO social partners to support the elimination of child labor.
- Entertainment for children

### II. LOCAL LEVEL ACTIVITIES

**IPEC** will be implementing the following activities at the local level:

- **North Sumatra**: Bicycle Rally and Children Performance in Serdang Bedagai District (implemented by LINGKAR, LAPENRA, KEKAR)
- **East Java**: Children festivals at village level before 12 June and Sub District level festival at 12 June in Jember (implemented by YPSM)
